zigi

THE COMPACT TRAVEL SOLUTION

*zigi is a beautiful compact buggy.
Underneath its sleek, modern and very **mima**-esque
looks, **zigi** is sturdy but still lightweight
and incredibly easy to handle.
Its elegant looks combined with easy, one-hand
and compact folding make **zigi** the most
desirable travel companion
for families on the go.*

Features

Characteristics

- Weight: 7.6 kg (16.7 lbs)
- Maximum child weight: 22 kg (48.5 lbs)
- Dimensions when folded: L45 x W25 x H56 cm
- Compact, one-hand folding
- Canopy which provides extra UV protection. Includes window, which also provides ventilation
- Transparent wheels
- Large basket
- Innovative rear suspension
- Backrest that can recline up to 3 positions
- Adjustable handlebar
- 5 point safety harness
- Includes rain cover

01 Compact Folding

The super compact fold of **zigi** (56x45x25cm) / (22x18x10inch) is accepted as cabin luggage with most airlines. The **mima** carrycot also collapses to a compact size for painless travel and storage.

02 More Protection

The all new manual canopy for **zigi** offers not one but two extra, otherwise hidden, canopy extension flaps. Choose the adequate level of shade for baby by easily unzipping the different sections, the fourth of which offers a meshed flap that furthermore provides ventilation. Whoever said less is more?

03 Height Adjustable Canopy

This unique function allows you to adjust the height of the canopy to suit smaller or taller children.

04 Easy Recline

The solid reclinable backrest ensures proper support and comfort for baby with 3 recline positions, the lowest of which offering a comfortable position for resting.

05 Effortless One Hand Steering

The suspension system and smooth turning wheels make **zigi** a dream to push and it is considered to be one of the smoothest rolling strollers on the market. On top of that, the innovative transparent wheels make it look like **zigi** floats on air.
